

**OCI Chemical - USPC - Decatur, Alabama is  
National Safety Council 2006 Industry Leader Award Winner**

The National Safety Council (NSC) announced today that **OCI Chemical - USPC - Decatur, Alabama** has been honored with a 2006 Industry Leader Award for achieving the best safety performance in its category. The Award is a component of the Council's member-exclusive Occupational Award Program, created to recognize outstanding safety achievements among members. Categories are based on the North American Industry Classification System. This uniform, industry-wide classification system is the index for statistical reporting of all economic activities of the U.S., Canada, and Mexico.

**OCI Chemical - USPC - Decatur, Alabama** is one of 168 companies honored with the 2006 Industry Leader Award. The companies recognized are among the top member participants in the 2006 Occupational Excellence Achievement Award.

The National Safety Council is a nonprofit, nongovernmental, international public service organization dedicated to protecting life and promoting health. Members of NSC include more than 50,000 businesses, labor organizations, schools, public agencies, private groups and individuals. Founded in 1913, and chartered by the U.S. Congress in 1953, the primary focus of the NSC is preventing injuries on highways and in homes, workplaces and communities.
